

Consignment Sale

A great way to start the new year is looking for outfits and accessories in our Saturday consignment sale. This year's consignment sale will be a bit different than in the past. We've made some changes based on feedback we have received and believe that it will be a better experience for the buyers and the sellers. Here are some of the key points for this year's consignment sale:

Pre-registration of items to be sold. This will be done using a web form, link at bottom of page. Fill out the registration form for each item that you are selling. A label will be generated from your registration information. It will provide buyers with a clear label that contains all the information they need .

Deadline for pre-registration will be Jan 27, 2010. All data received by this date will be charged the usual 10% consignment fee. After this date the fee will rise to 20%.

Item labels should be picked-up Friday night between 6pm and 8 pm. Please attach the labels and store the items in your room until the morning.

Morning drop off of items in the consignment area will be from **7 am until 7:45 am. No items will be received after 7:45 am.**

Please bring all costume/clothing items on hangers. Tartan hose should be in a baggie and safety pinned to the costume or hanger. Shoes should be tied together (ghillies, jig shoes etc.)

If you know you will be arriving late on Friday, please contact me prior to Feb 1, 2010 at sell@highlanddanceworkshop.com so arrangements can be made for your item labels.

The morning breaks between classes will be extended to 10 minutes to allow time for dancers to try on outfits. **Dancers may not leave class to try-on outfits.**

Sale items will not be held till lunch time. If your held item is not tried on during the break, it will be returned to the racks. Example: If you put an item on hold at 9 am and do not have your dancer try it on at the next break, it will be returned to the racks. This will allow sellers and customers a fair chance at selling and purchasing an item.

The sale will run on Saturday between 8:15 am and 2 pm.

Buyers will pay with one check for all items to PHDA (our parent non-profit).

Pick up time for unsold items is 3 pm At that time, Sellers will receive a check, minus the consignment fee, for the items that have been sold.

If you have questions regarding the new consignment procedure or using the form please contact Diana McLean at sell@highlanddanceworkshop.com.
